# How We Keep You Informed:

## Tapestry:

Is a secure network which captures “Wow moments”, information and reminders from Class Teachers.

Introduction to Tapestry hand outs are sent home at the beginning of the new school year explaining how to log in, how to use it and how to add your own observations.

## Newsletters & Key Dates:

These are sent out on alternate Fridays, and they are a great way for you to align with our very busy curriculum.

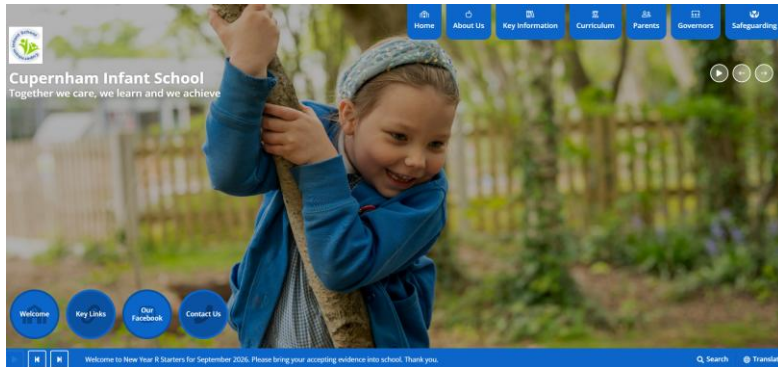

## Arbor App & Emails:

All information from school is sent out by email so please keep checking your inbox. We will be rolling out the Arbor App very soon which will enable parents to manage all school administration neatly in one place including consent to school trips, making payments and booking wraparound care etc.

## Website:

All information for you as new parents will be found under - Parents Menu Option/New Year R Starters - Sept 2026. The website is frequently updated and a great first stop for information.

Also follow us on Facebook & Instagram.
