

Cupernham Infant School

Newsletter 1 – 5th September 2025

Together we care, we learn and we achieve!

Dear Parents and Carers,

Welcome everybody! May I take this opportunity to welcome you all back to school, especially all our new children and families joining us. It has been lovely to talk to you all on the playground before and after school. We will be sending you newsletters fortnightly to let you know about the many exciting things happening in our school and our important notices. I will also be including at times, a 'Hot Topic', which will bring you updated information or links that signpost you to relevant resources.

All our newsletters are also available on our school website. If you have ever have any queries or questions, please email the school office team on adminoffice@cupernham-inf.hants.sch.uk. Please take note of the important 'Dates for Your Diary' section at the front of this newsletter as this will be your main source of dates.

I have a message for the children too. Well done to all of you for returning and starting school this week with such a happy and positive attitude. You all looked extremely smart and eager to see your friends and teachers. As I walk around the school, I can see that you are all working hard and enjoying your learning. You are working beautifully and playing so lovely together outside. We are all so very proud of you! This week we been talking to the children about the importance of our motto "Together We Care, We Learn and We Achieve" and showing everyone how to be "Ready, Respectful & Safe".

Thank you for your continued support. Have a lovely weekend everybody.

Kind regards Mr. D. Wells

Safeguarding Newsletter

In today's ever-evolving technical world, keeping our pupils safe online is always at the forefront of our minds. As a school, we play a vital role in keeping our pupils safe online. Parents/carers also have an important role to play. We appreciate that it can be difficult to know exactly what you can do to help your children navigate this world safely – especially as changes and advances are happening all the time. Please read our monthly newsletter (attached) and refer any enquiries to a member of the senior leadership team.

PARKING

Please can we make sure that when you are driving to and from school, we take care and be aware of children and cyclists. Many thanks.

Parent Forum

Cupernham Infant School encourages parents and carers to be as involved with the school as possible. One of the ways to do this is via our Parent Forum.

The objective of the forum is to engage with parents on a regular basis and to promote partnership between the school, it's pupils, parents and carers.

Specifically, the forum would like to achieve the following:

- ✓ provide updates to parents/carers on any new developments and initiatives in school
- ✓ provide feedback to parents/carers on specific areas
- ✓ involve parents/carers in their children's learning by listening to parents views and suggestions made, and working together to provide the best possible outcomes for our pupils
- ✓ explore ways in which the school can work with its parents/carers for the benefit of the school and its pupils

It will give parents and carers a relaxed and informal place to meet with staff to share their views on how things are going at the school and how we can improve.

We will meet twice every half term (one in the morning and the other afterschool), and discuss anything related to improving the school and further developing the partnership between the school and parents

Our first parent forum will be on Tuesday 30th September at 9.00am. Please come to the school office after drop off.
