

# Carnival Creations!

On the 20<sup>th</sup> and 21<sup>st</sup> May, Cupernham Infants will be exploring carnival celebrations from around the world. The children will be learning all about different carnivals, and having a go at putting their own together! They will have a chance to make their own carnival hat and instrument in school!

We would like to ask all children to please bring in all the junk materials that they will need to create their chosen instrument. E.g. a cereal box, butter tub etc. We will provide the children with all the tape, glue, paint and elastic bands needed. **We have attached the instrument idea options on the next page- please can the children choose one from these options- we will be using them to create our own samba music!**

**Please bring all junk for your child's instrument into class the week beginning 17<sup>th</sup> May.**

We are really excited and looking forward to seeing our carnival celebrations come together! Please keep an eye on our school website and Instagram page to see what we get up to!

Thank you for your continued support.

Miss Vinney and Miss Bailey (The Creative Leadership Team)
