

Cupestock

To celebrate our learning from this half term Year Two are hosting their very first Cupestock Festival. You are invited to come along (including siblings/grandparents etc) and join us from 2.30pm - 3.15pm on Thursday 4th April 2019. The more the merrier! Please come dressed in your finest 60's clothes and be ready to dance the afternoon away to some of our favourite 60s' hits.

This will take place on the school playground and field (weather dependent) or school hall if raining. No photos or videos will be allowed to be taken, however we will be providing a photo booth and photos will be available for a small price.

Please wait outside your classroom door to collect your child/ren at 2.30pm - and enjoy the fun together!

Stalls will include face painting, glitter, a photo booth, a plant stall etc. Adults are welcome to bring a little spending money with them if they wish. **Please do not send money in with your children unless your child attends Cuckoo Club (Teatime Club).** If you have any access issues please let us know before the event.

Any profits made will go towards paying for the Space Dome experience that the Year 2's have already had at the beginning of the term. Thank you for your support.
