

Cupernham Infant School

Together we care, we learn and we enjoy success

Headteacher: Mrs. Lesley Clark

3rd June 2019

Dear Parents/Carers

Farm Day Thursday 6th June

This Thursday we have planned for a local farm to come and visit our school. This will be as part of our Science Curriculum week. The farm visit will take place during the running of our normal school day. The children will all get an opportunity to visit the farm, as well as taking part in exciting planned activities based around farm life.

On Thursday please send your children to school in suitable and weather appropriate home clothing. If it is sunny please put sun cream on your child and provide a hat, and if it is showery please ensure your child has a rain coat in school with them. Your child will not need their book bags in school with them on Thursday. Lunch will take place as usual.

If your child has any allergies or anything that you feel may affect their involvement in this day please let your class teacher know on the door this week.

The farm will still be around after school for a short while if you would like to pop over and say hello to the animals with your children. At this point they will open a farm shop, selling souvenirs for a small cost. Please do not send your child to school with money. This will only be available after school.

Thank you for your continued support.

Yours sincerely

Miss Lowden & Miss Appleby

Bransley Close, Romsey, Hampshire, SO51 7JT
