

Cupernham Infant School

Together we care, we learn and we enjoy success

Headteacher: Mrs. Lesley Clark

January 2019

Dear Parents,

Welcome back to a new school term.

We have a close-knit team of governors but due to some forecast changes within the governing body we are looking to recruit additional members prior to the new Headteacher joining the school.

This opportunity is open to anyone who has a child within the Infant school or anyone outside of the school community that would like to take on this volunteer role. We are fortunate to have an excellent school with a dedicated team who are constantly striving to further enhance the children's progress and give them opportunities to ensure they have a strong creative curriculum.

The role of the Governor gives an insight into how the school operates and Governors fulfil a strategic role in the running of the school providing support, advice and are also ambassadors of the school. The role of the Governor is a rewarding one but one that does require some time, focus and effort to participate in the development of the school. Alongside half termly meetings we also have School Improvement and Resources committees and each Governor is given a particular area to focus on within the school, in line with our School Improvement Plan. We hope that this will interest you or that you may know someone who might be interested.

For further information or an application form please contact me through the school office. I am more than happy to meet with anyone who would like to have an informal chat about what this role entails. Applications would need to be with us by the Easter holidays for a September 2019 start.

I really hope that you may be interested in supporting the school and joining our friendly team of individuals who want to work together to help us continue to be excellent!

Nicole Dawson Chair of Governors

Bransley Close, Romsey, Hampshire, SO51 7JT
