

Cupernham Infant School

Together we care, we learn and we enjoy success

Headteacher: Mrs. Lesley Clark

14th March 2019

Dear Parents,

After the Easter holiday Owls, Robins and Hummingbirds will be embarking on an exciting adventure which will involve lots of rich learning experiences all about Australia. As part of this, we have the unique opportunity to experience a day with Australian animals. Jonathan's Jungle is a fantastic encounter day where the children get hands on experience of holding different animals from Australia. Amongst the animals are stick insects, scorpions, snakes and tarantulas! Jonathan will be visiting us on 24th April 2019. As Jonathan will be in the whole day it will be a fabulous chance for the children to handle these animals in small groups to allow them one to one quality time with the animals. They will learn all about the animals, their habitats and how they are cared for.

This is the seventh year that we will be welcoming Jonathan's Jungle to our school. In previous years the children have gained so much from this experience and have thoroughly enjoyed the day. We are asking for a contribution of £5.00. Please pay online or send your contribution in to school before **Tuesday 2nd April 2019**.

Should you want to discuss this event further, please contact your child's teacher.

Thank you for your continued support.

Miss Kirby, Miss Appleby & Miss Bailey
