

Dear Parents/Carers,

We are getting really excited about our jungle topic and as part of our learning we would really like to see if your child can become an expert; focussing on one particular animal from a jungle setting.

### Home Challenge!

Find out about a jungle animal. You can show your learning in any way you like e.g. paintings, fact files, models, power point etc. however we would like you to include some writing as part of this e.g. labels, captions, lists etc.

Please encourage your child to use their phonics knowledge to complete their writing (we do not expect all words to be spelt correctly) but we do expect them to try their best and use their staying power! 😊

We would love to share your child's amazing jungle animal work at school as part of our jungle dress up day on Friday 22<sup>nd</sup> March, so if you can bring it in before Wednesday 20<sup>th</sup> March or put a photograph up on Tapestry that would be fantastic. We cannot wait to share them!

If you have any questions please do not hesitate to ask at the door.
