Dear Parents and Carers,

**Re: 'Critical Worker Information'**

We are writing to you today to update our records of children with parents who are 'Critical Workers'.

There is currently no intention to close or partially close schools in England. However, if there are any future occasions where there is a partial or full closure of the school due to COVID-19, we will continue to have a provision for children at school who have parents/guardians who are critical workers.

The most up to date guidance regarding what constitutes a 'critical worker' can be found here: <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

Please take the time to read this information and then complete the following Microsoft Form to register your information by clicking [here](#).

Once again, this letter is just to update our records and we will continue to inform you of any changes should they occur.

We would like to take this opportunity to thank you for your continued support through these unprecedented times.

Yours sincerely,
