

Dear Parents,

Walk around our local area - Wednesday 5th
June 2019

We will be going on a walk around our local area as part of our Science Week to look at how humans are changing our local environment.

We will be going on this walk whatever the weather, unless it would be dangerous to go, in which case it would be cancelled.

We would ask that the children have a warm, waterproof coat and sensible pair of walking shoes/ wellies depending on the weather or sun hat and sun cream depending on the weather.

The trip will only take place in the morning and we will return to school for lunch.

Thank you for your continuing support.

Year 2 Team.
