

Summer Holiday Food Support

We are all aware of how difficult things have been these past few months and with the summer holidays upon us, we want to make sure everyone has what they need over the next few weeks.

If you do need any support, however big or small, whatever your situation is over the holidays, please do get in touch or come along and see us.

EVERYONE IS WELCOME

Your circumstances may have changed and you may never have used these services before, but please know, **You are welcome!**

Please note that the organisations below are maintaining Social Distancing rules.

The Foodbank is here to help if you are finding that your current situation means you are unable to buy enough food and supplies for your family. We can help you with food, toiletries and other items such as nappies, baby food, washing powder and pet food. One visit will top you up with 7 days worth of food including snacks and treats for all the family! There is no charge for food from the Foodbank - all we need to do is have a quick chat with

you when you arrive. The food is pre-packed and your visit will take no more than 15-20 minutes. The Foodbank can often be the first place to visit and then we can suggest other places such as the Pantry to get support. If your financial situation doesn't change, you can visit the Foodbank again and we will make a plan with you!

Opening:

Romsey - Tuesday & Wednesday 10:30am- 12:30pm Unit 20 Romsey Industrial Estate, SO51 0HR

North Baddesley - 10:00am-12:00pm Community Life Centre, Flemming Avenue, North Baddesley SO52 9EJ
