

Cupernham Infant School

Together we care, we learn and we enjoy success

Headteacher: Mrs. Lesley Clark

Dear Parents/Carers

25th April 2019

Write Together Workshop

Friday 7th June 2019 9.10am - 10.00sm

As an alternative to the previously cancelled phonics and writing workshop we are delighted to offer parents the opportunity to come and find out more about how we teach phonics and writing and how you can make a big impact on your child's progress, confidence and enjoyment in literacy.

Through this session you will have hands on experience of how our Foundation Stage and KS1 teaching teams teach writing and there will be a chance for you to see phonics strategies, spelling games/tools, punctuation strategies and how we engage and excite the children to be keen, enthusiastic writers.

During this workshop you will have the chance to work alongside your child to produce a piece of writing linked to the exciting learning we will have done throughout science week. This will be fun and engaging, giving your child to share his/her writing skills with you in a creative way. There will be many different writing-related activities for you to experience. You will also see how the children access supports around the class areas (we aim to be outside too) as you enjoy writing together.

Unfortunately we are unable to welcome siblings to this event to ensure it is safe and successful for all. Due to the nature of these live sessions there will be not be any hand outs given to those who attend. However, there will be a follow up home based activity for you to complete as a family and some writing resources for you to take home with you. If you have children in more than one year group the workshop will be of the nature that you can spend time with both children.

Please ensure that you contact us ahead of the event should you require assistance with access arrangements.

Yours sincerely

Miss Kirby, Miss Freeman and Mrs Plat

Please return by Tuesday 7th May 2019.

I will be attending
