

# AFRICA!

## Literacy

In Literacy we will be writing thank you letters to Marwell Zoo for our trip and then we will be focussing on a mysterious character called Sunny... You'll have to wait and see what or who Sunny is. We will be going on lots of adventures with Sunny and will be thinking about adventures in Africa. We will also be choosing our own character and writing their own adventure story.

## PSHE

Our focus is on moving on and transition. We will be spending lots of time thinking about the changes that lie ahead.

## Creative Arts

### **ART**

3D African masks using paper mache and decorating these with traditional colours and designs.

### **MUSIC**

We will be continuing to play the

### **DRAMA**

The topic will be ending on a high with a fabulous end of term Production. An African tale not to be missed.

## Marwell Trip

On the 6<sup>th</sup> June we will be going to Marwell Zoo to start off our Africa topic. We will be enjoying the animals and be taking part in a workshop 😊

## Maths

During maths we will be having a big focus on problem solving and using and applying all of our amazing maths knowledge we have gained.

## RE

In RE we will be thinking about creation. We will be looking at different religions, their creation stories and why they tell them. We will also reflect on our own thoughts about creation.

## PE

We will be focusing using all our skills learnt this year to play competitive games such as rounders, quick cricket and other invasion games. We will also have Sports Day!

## Science

Our science key idea this term is variation. We will be thinking about how African animals and plants have adapted to their habitat and how they survive.

## Geography

During Geography we will be focusing on the country of Africa and comparing physical and human features of different areas, making comparisons to our own life here in the UK.
