

Christmas Cards and Gift Tags

Your chance to buy the Christmas Cards and matching Gift Tags designed by your very own small people has arrived!

The children have completed individual designs in class, which we have collected and digitally scanned ready to produce them as Christmas Cards and matching Gift Tags, should you so wish to order them. Don't worry if your child missed this – we have an option to include everyone below.

We are also offering the option to upload your own PDF of a design you'd like created into cards & tags, so if you, or the other people in your household want to have your own designs brought to life take a look at this option too! Simply need to be A4 in size and uploaded to your order as a PDF.

We are bucking the trend of using big online companies, and working with a local printing firm - not only supporting local business but also obtaining higher margins on our fundraising - with a little extra effort in the preparation from the FOCUS committee members.

These designs are now available for you to order via www.pta-events.co.uk/focus-infants, which is our online platform to share information, and promote our fundraising efforts. If you have not used the site previously, you will need to create a login before you will be able to complete 'Checkout'. Please feel free to contact focus.cupernham@yahoo.com should you have any issues ordering.

Please use this code for your child's design upon ordering

- 1 x Pack of 12 Christmas cards (A6 size) on 300gsm greeting cardboard shrink wrapped with envelopes @ £6.00
- 1 x Pack of 16 x card gift tags @ £2.50

We hope you love your little one's designs, and we look forward to producing them and delivering them to you via the classroom during w/c 30th November. Orders will close on Wednesday 11th November at 17:00pm.

Secret Santa Gift Shop

During school time, your child will have the opportunity to visit our Secret Santa Gift Shop and choose a gift for any adults or children in their lives. The cost of this is £2.50 per gift.

To meet all COVID-secure guidelines, the gifts will be pre-wrapped with an example of each gift displayed so they can make a clear choice for themselves. They will write and decorate their own labels. The children will visit the Secret Santa Gift Shop in the week beginning 7th December and take the gifts home to be hidden away until Christmas Day!

To enable us to buy to demand, orders for our Secret Santa Gift Shop are available to be placed via www.pta-events.co.uk/focus-infants now, and will also close on Wednesday 11th November at 17:00pm

Any issues at all, please do feel free to reach out on the year Facebook pages as we have representation across all three years, or e-mail focus.cupernham@yahoo.com.

Many thanks for your continued support with our fundraising efforts!
