

20th January 2020

Year R Dinosaur Celebration

At the end of our 'Digging for Dinosaurs' topic, the children would like to invite you to share their learning on **Thursday 6th February at 2.45pm**. We will be sharing our 'Dino Dance' and telling you an exciting dinosaur story!

This is a special occasion for your dinosaur lover so please give your full attention at the event. For both health and safety and enjoyment reasons, no siblings are allowed to attend this celebration.

If you are unable to attend, there will be an opportunity to see your child's learning on Tapestry.

Please sign in and out at your child's classroom door. We look forward to seeing you, to share their super work!

Thank you for your continued support,
Foundation Stage Team
