Second-hand uniform sale

Dear parents and carers,

Our second-hand uniform sale has now launched and products are available for you to purchase on <https://www.pta-events.co.uk/focus-infant>

To purchase any items, please log in to your pta-events account and click on 'Uniform & Merchandise' in the Shop section:

Items are stored in a closed box. Once purchased, the item will be sent home with your child through the classroom, unless otherwise agreed.

Please note that we are constantly adding and updating items, so if what you're looking for is not available, please do check again a few days later.

All items for sale were kindly donated to us and we cannot run the shop without your donations. So, if you have any school clothing items (including fancy dress for dress up days) that you no longer have use for and it is in good condition, please consider donating it to FOCUS. Collection boxes are situated outside the school office.

If you have any questions, please don't hesitate to contact us, either by emailing focus.cupernham@yahoo.com or by reaching out on the Facebook year pages.

Many thanks,

Your FOCUS Committee
