

UNIFORM DONATIONS

FOCUS is in the process of setting up an COVID-secure preloved uniform and fancy dress shop. However, we cannot do this without relying on clothing donations from you. Has your child outgrown their school jumper? Have their feet grown and their wellies have become too small? Have the school trousers or dresses become too short? If so, please consider donating to FOCUS.

We'd welcome donations of the following pieces of clothing in good used condition:

- School jumpers and cardigans (with or without the school logo)
- School polo tops (with or without the school logo)
- School trousers and shorts
- School skirts, pinafores and dresses
- PE shorts and T-shirts (with or without the school logo)
- Coats and waterproofs
- Wellies
- Fancy dress for school dress up days

We've placed storage boxes labelled for uniform donations in the covered walkway by the office. Please put any donations in the boxes.

Information on how to buy pre-loved school clothing will follow.

Many thanks,

Your FOCUS committee
