

Morning Fun in Year One

In January we would love to invite parents to join us from 8.50am – 9.05 am every morning after drop off to work with the children whilst they complete their morning job.

These morning jobs may be maths activities, writing activities, a geography/science challenge or reading activities.

We will continue to offer reading sessions on a Thursday for those of you who would like to continue with this. If you would like to come in every morning to hear your child read, please feel free to do that as well.

There will be a class list by your classroom door for you to sign in and out.

Thank you for your continued support.
