

Cupernham Infant School

Together we care, we learn and we enjoy success

Headteacher: Mr Duncan Wells

11.02.20

Pets needed!

Year R are starting their new topic of 'Amazing Animals' after half term and we would love to have some real life pets in school for the children to meet and learn about through first-hand experience. If you have a **bird, reptile or insect** as a pet and are happy to bring it to school to show and talk about with groups of children on **Tuesday 25th February** for **an hour session** at any time, please let Mrs Parry know as soon as possible this week.

Year R parents – Please inform your child's class teacher if your child has an allergy to any animals.

Please note we are not intending for any of the animals to be handled by the children, but they will have the opportunity to stroke/touch them if they wish.
