

# Cupernham Infant School & Cupernham Junior School

## Reminder for Superhero Day for Alfie's Wish – Friday 27<sup>th</sup> November

The children in both the Infant school & Junior school that were lucky enough to know Alfie will be very aware of his love for dressing up. Lovingly referred to as a Superhero by his family, they have asked if we could theme the day on this, as a lovely way to remember Alfie and celebrate his beaming character, and cheeky smile.

Children are invited to come to school dressed as a Superhero in any guise – from the well-known super heroes from comics & screen, or a self-created hero, or even as the heroes of the recent Pandemic (NHS workers, Teachers, Key Workers, Joe Wicks, Captain Tom), or your own members of your family even.

For the older children, where dressing up may not be as excitingly received as the younger children, please feel free to take part in as subtle a way as you feel comfortable – you could simply wear yellow (Alfie's favourite colour).

Please remember to send children in sensible shoes so they can still play outside safely.

If you feel you can, cash donations will be collected in the class bubbles on this day and given to Alfie's Wish.

Thank you for your participation and support.
