

Superhero Day

20th January 2020

Dear Parents/carers

As you already know our topic this term is 'Superheroes' and we have been busy learning about the skills that superheroes need to save the world! On Wednesday 12th February we will be having a superhero day when our superhero training will be complete. For this day we would like all of the children to dress up as superheroes. Please wear the cape you have made at home as part of this costume. We will send your superhero badges home by Friday (07/02/20) so that they can also be part of your costume. The costume can be as you please eg: you could wear your school uniform with your cape and badge, you could wear a superhero costume with your cape & badge or you could wear non-school uniform with your cape and badge.

The children will need to come to school dressed as their superhero. Please bring everything else to school as normal (book bags/lunch etc.)

If you have any questions or problems sourcing an outfit please ask prior to the day.

As part of superhero day there will be an opportunity to see your children's work from the term. You are invited to come into our classrooms from 2.45pm on 12th February to share your children's work with them. Please come through the school office for this event and staff will direct you to your child's classroom where you will be able to share their learning with them. As this is a year group event **you are** able to bring siblings so long as they are supervised by an adult at all times. You may take your child/ren home with you after this event.

Thank you

Miss Kirby, Miss Appleby & Miss Bailey
