February 2021

Woodpeckers, Kingfishers and Nightingales Jonathan's Jungle Experience

Dear Parents and Carers

After the half term holiday Key Stage One will be embarking on an exciting adventure which will involve lots of rich learning experiences all about Australia. We would usually have the opportunity to experience a day with Australian animals when Jonathan's Jungle visit us for an encounter day where the children get hands on experience of holding different animals from Australia. Unfortunately, due to the current lockdown, we will not be able to have the visit in person but we have arranged for Jonathan to run a Zoom session for us instead. This session will be a live session at your designated time and will be accessible for the children both in school and at home. Jonathan will spend time showing and talking to us about his amazing animal collection and there will also be opportunities for the children to ask questions.

FOCUS have kindly agreed to fund this event so we are not asking for a parental donation this year. As this is a paid event, we ask that you do not share this zoom link invitation with anyone else. Please ensure your microphones are muted when you are in the zoom meeting unless Jonathan asks for us to unmute them. This is extremely important for some of the animals he will share with us who are very sensitive to sound.

This event will run on Tuesday 23rd February at 11.15AM – 12.15PM

Please click on the link below and enter the meeting ID and passcode when it is asked for.

Time: Feb 23rd 2021 11:15AM – 12:15PM
