

Superhero Day

5th January 2023

Dear Parents/carers

As you already know our topic this term is 'Superheroes' and we will be busy learning about the skills that superheroes need to save the world!

On Friday 10th February we will be having a superhero day when our superhero training will be complete. For this day we would like all of the children to dress up as superheroes.

The children will be designing and creating their own superhero in class, choosing their name such as Miss Holmes being 'Heroic Holmes'. We would love to see original superhero costumes that the children have been involved in designing and making. We will be making their superhero badges in school to send home to then attach to their costumes (please no pins). The costume can be as you please eg: you could wear your school uniform with a cape and badge, you could wear a superhero costume with a cape & badge or you could wear non-school uniform with a cape and badge. However, if they chose to come as their favourite superhero that is fine too.

The children will need to come to school dressed as their superhero. Please bring everything else to school as normal on the superhero day such as book bags/lunch etc.

If you have any questions or problems sourcing an outfit please ask prior to the day. Please also look on Tapestry for some pictures of previous children's costume designs.

Thank you very much,

Miss Holmes, Mrs Cody, Mrs McRobert
