Dear Parent/Guardian,

## **MILK - Year R 2022/23**

Our school provides a milk scheme that is available to all of our pupils free for under-5s, and for over-5s it is available through the Cool Milk website [www.coolmilk.com](http://www.coolmilk.com).

Each child that registers with Cool Milk will receive a 189ml portion of semi-skimmed milk every day, delivered fresh and chilled to the classroom. Their school milk will not only provide them with essential nutrients, but as it is rehydrating and energy boosting it also bridges the gap between lunch and the end of school to help children stay focused. For more information on how milk can benefit children visit [www.coolmilk.com/why-milk-is-great](http://www.coolmilk.com/why-milk-is-great).

Should your child have a dairy allergy or intolerance and you would like to supply the school with a suitable alternative please speak directly to your class teacher. If you do not want your child to be offered milk for any reason again, please speak to your class teacher directly.

Kind regards,

A handwritten signature in black ink that reads 'J.L. Turski'. The signature is written in a cursive style with a large, sweeping initial 'J'.
