

Dip and Pick Activities Year 1 Week 6

Reading	Have a go at the 'Ladybird' reading comprehension	Use the virtual zoo link. Choose an animal to watch and then do some research about it	Read the real and alien phonics words. Have a go at adding sound buttons to the words	Make a bookmark
Writing	Write a quiz for someone in your family to answer!	How many words can you write beginning with 'C' and 'F'?	Write your dream menu for a restaurant.	Write clues to describe animals and get your family to guess what it is
Maths	Number bonds to 10 practise. Use the number bond robots to help you! (See resources)	Get someone to call out simple addition number sentences for you to solve eg: $8 + 3$, $12 + 9$ etc	Practise number bonds to 20. Can you make any learning links? Eg: $8+2=10$ $18+2=20$	Get someone in your family to hold up a coin or a note (money). Try to say what it is really quickly!
Topic/ Life skills	Talk about your senses (sight, hearing, touch, smell & taste) Blindfold someone in your family and get them to use their other senses to guess what you're holding!	Use the 'Where in the World is Superman?' PowerPoints. Try to guess where Superman is? Can you learn how to say hello in each language?	Learn how to type on a computer. Learn how to do a capital letter (caps lock and shift key), finger space and a full stop.	Play a board game as a family.
