

Hello Year R

Welcome back to school!
We've missed you so much.

Challenge: How many rainbows can you spot in the powerpoint?

You will probably be in a different classroom.
The classrooms will not look the same.

What changes have there been?

- Things have been quite strange for the past few weeks, and we have all had to stay at home a lot.
- We are really please that we are starting to come back to school, but some things will be a little different, but some things are the same.
- Here are a few...

What is **different**?

What is the **same**?

Things that are **different**

- We won't all gather together so there will be no assemblies in the hall.
- Not all of your friends and teachers will be back in school.
- You will be with children from different classrooms.
- We will have less equipment and toys to play with.
- We have to eat lunch in the classroom or outside with the children from our learning pod.
- We have to stay with our friends from our pod at playtime and lunch time.

Things that are the same

- We are still incredible!!
- We are all still part of the Cupernham Infant School family.
- People at school will still care for us and keep us safe.
- We will still have fun learning and playing.
- We will continue to learn inside and outside.
- We will wear our school uniform to school.

How we are going to stay safe in school

- The germs are passed from person to person, so for a while we have to stop doing some things like:-

Giving high fives

Shaking hands

Being really close to other people

Hugging our friends

But we can...

Wave to each other

Hug ourselves

Give Thumbs Up

Smile lots

How we are going to stay safe in school

Social Distancing

Sit on your 'carpet cross'

Working at your own desk

Washing our hands regularly.

When you arrive/leave school

- Please make sure you are following the social distancing.
- Please follow the marked routes around the school grounds to get to and from your classroom
- You will arrive and leave at different times to other classes.
- Quickly leave the school site and don't gather outside.
- Please arrive and be collected by one adult where possible.
- Please only arrive at school with a named coat, a sun hat, a water bottle and a packed lunch in a disposable bag if you need one.
- The play trail and other outdoor equipment will be closed.

Do you have any worries or fears?

- Sharing is caring!
- Tell the rest of the class, probably everyone is feeling the same way, and we can talk about it together.

You don't need to feel worried because:

- Grown ups will keep you safe.
 - Everything will go back to normal soon.
 - You are special and loved.
- 
- If you have any worries remember to always share them with a grown up. Everyone is probably feeling the same, and we can talk about it together.

We can't wait to
see you very
soon!!

How many rainbows did you count?
