

Time Capsule Example

(a message to somebody in the future)

DATE: 29th April 2020

Hello, my name is Joe and I am 6 years old.

Our world is very strange at the moment and we have to stay inside to help protect everyone from nasty germs. I have a superhero living next door to me and she is a nurse. She is helping to fight the nasty germs.

My school is shut and I am doing my learning at home and my home teachers are very good. I am having lots of fun with everybody at home and we even get to watch films together and play in the garden.

I can't wait to see my friends again and to go and play in the park with them.

From Joe.
