Newsletter – W/c 30th March 2020

Dear Families,

On behalf of all the staff, thank you for your kind messages and continued support. Things feel a little bit strange at the moment, the school feels very empty. I have really enjoyed looking at your photos you have been sending, lots of lovely learning going on and also children just having fun! Also, I have loved seeing all the rainbows children have drawn and put up in their windows, if you haven't put one in yours then why not have a go. The rainbows aim to make people smile while they're walking by, and also offer a message of hope in these tricky times. Over the next couple of weeks, I will be recording a few surprise messages for you all to watch and I will be setting a challenge for all the teachers to record themselves reading a story, including me! Make sure you look out for those on the website! Take care and stay safe everyone. *Mr. D. Wells*
