

Cupernham Infant School

Newsletter 1 11th September 2020

Welcome everybody

May I take this opportunity to welcome you all back to school, especially all our new children and families joining us in Year R, 1 and 2. It has been lovely to get to speak with you all on the playground before and after school. We will be sending you newsletters fortnightly to let you know about the many exciting things happening in our school and important notices. I will also be including a 'hot topic' which brings you updated information or links that signpost you to relevant resources. Just a reminder that all our newsletters can be found on our school website. However, if you have any queries or questions, please remember to email the school office team.

Message for the children.

Well done to all of you for returning to school this week with such a positive attitude. You all looked extremely smart and eager to see your friends and teachers. As I walk around the school every day, you are all working hard and enjoying your learning. You are working beautifully in your class learning pods and are playing outside in your areas which have been marked off. I am also pleased to see that you are washing your hands regularly, sanitising and keeping your social distance when you need to. Today we had our first TEAMS assembly which was all about how to be "Ready and Safe", two of our three new school rules, the other one being Respectful.

Have a lovely weekend everybody, kind regards *Mr. D. Wells*

Our Learning This Week

Year R

What a fantastic first week the year R children have had. They have settled well into routines and continue to learn the rules to keep us safe.

The children have loved exploring the creative area, painting, using the large construction and playing on the bikes. It has been great fun, well done Year R, keep up the good work. Mrs Platt and the Foundation Stage Team 😊

KS1

Wow, what a fabulous start to the year all the Year 1 and 2 children have had! All of the teachers are so proud of the how well the children have come back into school after the summer holidays. We would also like to welcome Mr Kent who will be a student in Nightingales class this year.

We have been busy getting to know our class routine and have enjoyed drawing our portraits. We are looking forward to painting them next week.

Thanks for your support this week. The Key Stage One Team

Our Motto

As a school, we have decided to slightly change our motto. Where before it stated that "Together we care, we learn and we enjoy success", it now reads:

*Cupernham Infant School -
Together we care, we learn and we achieve.*

KS1 Virtual Meet the Teacher Session

We are looking forward to our virtual meet the teacher session on Wednesday 16th September at 5pm. A letter with details will be coming out soon.

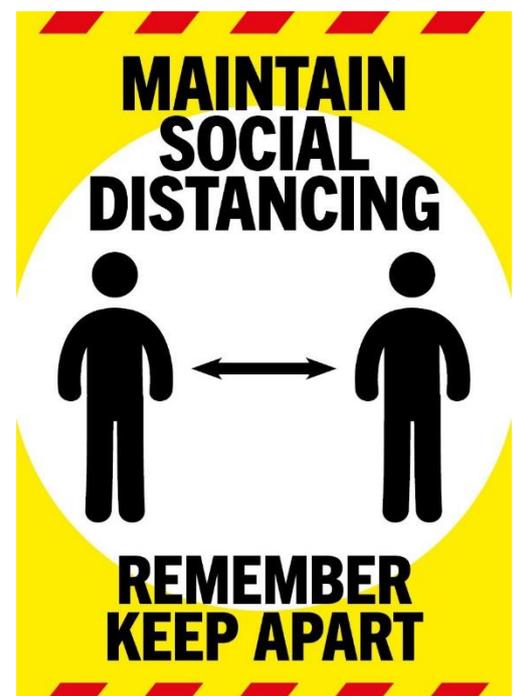

Lunchboxes

From Monday 14th September, if your child has a packed lunch, they can now bring this in a lunch box.

Drop off and Pickup Arrangements

Thank you so much for all your support in implementing the staggered start and collect times, this has really helped reduce the number of people we have on site at any one time. To make things even better and encourage greater social distancing, can we please ensure that we are lined up in the designated areas for collection and not gather on the playground as this is causing unnecessary congestion and families having to walk around families disrupting the steady flow out of the exit. Also, as you exit the small gate, could we please make sure that we keep exits clear and avoid small gatherings just outside. I have had a number of families expressing concerns around appropriate social distancing. Thank you for your continued support.

Post Box Drop Off

As we are only taking emails, phone calls and pre-arranged visits to the school office, if you need to drop off any paperwork to the office, we now have a lovely red post-box for you put it in. It is emptied regularly throughout the day. Thank you.

Reminder

Please ensure you respect our neighbours by parking and driving safely around our site. **Also, the junior and infant school staff car parks are for staff only.**

Mornings can be a hectic time. Please make sure your child is safely dropped off at the classroom door. Thank you.

Recycling

If you have any textiles and shoes for our clothes bank please bring them in and pop them in our textile recycle bin located outside the main school office – Thank you!

Contacting us

Please don't forget to keep us informed of any change to contact details as soon as possible.

Telephone: 01794 514494.

If you need to report your child absent then press option 1 and leave a message, at any time
