

Cupernham Infant School

Together we care, we learn and we enjoy success

Headteacher: Mr. Duncan Wells

September 2020

Dear Parents,

At Cupernham we value reading and writing to be important elements of children's learning and success. To ensure there is a consistent approach throughout the school, children will practise pre-cursive handwriting in reception.

Therefore we have made a literacy pack which is full of useful information that will help you support your child's reading and writing at home. We will use these resources within school so this will be a valuable aid to continue your child's literacy learning at home.

Please find enclosed:

- **Name card**- for your child to practise writing their name
- **Handwriting Rhymes** – practise formation
- **Sound Mat** – which is used within the classroom and throughout play
- **Tricky Word Game** – Set 1
- **A full list of tricky words** – which could also be used as a word mat
- **Phonics 'cued articulation' actions** – to support the learning of sounds

Please do not hesitate to ask school if you need further information or support.

Many thanks,

Foundation Stage Team
