

Overview:

We will learn about the life of Florence Nightingale, who was a very important nurse in the Crimean War. We will learn about the way Florence Nightingale developed nursing. We will also learn about Mary Seacole's impact on nursing and how she supported soldiers in the war.

What I already know...

I learnt about British Kings and Queens in Year 1.

I learnt about people who can help us in Year R and through our PSHE lessons in Year 1.

I can use common words and phrases related to the passing of time.

I can ask questions to find out information.

Relevant significant Events and People and ideas

Florence Nightingale

Mary Seacole

By the end of this unit...

- I will know who Florence Nightingale is and be able to explain her impact on nursing.
- I will know about important moments in Florence Nightingale's life.
- I will be able to explain why Florence went to Crimea.
- I will be able to describe the changes Florence Nightingale introduced.
- I will be able to describe the actions of Mary Seacole and Florence Nightingale during the war and after.
