

Terrific Travel

Magical Moments

- Scooter Day
- Firefighter visit
- Ambulance visit
- Bikeability
- Junk Fest (see letter!)

By the end of this unit...

- I can talk about different methods of transport.
- I can be a safe pedestrian whilst crossing the road.
 - I know how to use a simple map.
- I can talk about past and present vehicles.
 - I can use cutting and joining skills to create.

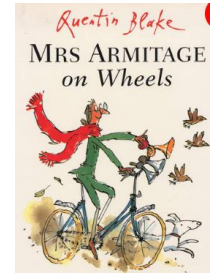

Overview:

During this unit we will be exploring a range of methods of transport. We will learn about keeping safe as a pedestrian and whilst on our bikes and scooters. The children will practice following a map of the school and we will be talking about how we journey to school. We will be comparing vehicles from the past and present vehicles, such as a Penny Farthing and our bicycles. Throughout the half term, we will be exploring the skills needed for junk modelling to create our own vehicles.

Key Questions:

Are we nearly there yet?
What vehicles are there?
Why do we have different types of vehicles?
How would we travel to school?
How would we travel to another country?
What vehicle could we travel in?

Key Texts

Key Vocabulary:

- * Vehicles
- *transport
- *map
- *journey
- *sequence
- *ambulance
- *pedestrian
- *helicopter
- *fire engine
- *mechanic
- *past
- *present
